 Nicole Yeftich, Director of Graduate Support  
 Program

## ***Principal's Message***

*Sr. Mary Bader, DC*

Mother Seton Academy's Annual Report affords us an opportunity to express our gratitude to the many individuals, religious congregations, parishes, schools, foundations, businesses and corporations who support our mission. The Report also enables us to share with those individuals and groups the program's achievements, all made possible by their generosity.

Our school's namesake, St. Elizabeth Ann Seton, constantly reminded those around her to trust in God's Divine Providence. Such a trust has given MSA a sturdy foundation. This faith has inspired a flourishing school which is sustained by the goodness of others who offer their gifts of time, talents, resources and prayers. At MSA the fruits of that trust are manifested in the daily lives of our students and graduates who thrive under the direction of a dedicated staff.

This report highlights the countless contributions that provide opportunities for spiritual, academic, social, emotional and physical growth in our students. The impact of these gifts is immeasurable as is noted in our standardized test scores and high school and college acceptances. Yet other "successes" are not measurable. It is hard to provide quantitative evidence that the 50 or more weekly volunteers touch our students' lives. Yet they do! We can't scientifically document an acquisition of social skills such as hand shaking, but the skill is learned and practiced! Much is learned beyond the standard, and important, academic skills.

At MSA our staff dutifully instills in our students an "attitude of gratitude." This attitude is expressed in our daily prayers when we thank God for our benefactors and volunteers who enhance our mission. Thank you for being part of our mission.

Gratefully,

*Sr. Mary Bader, DC*

Sr. Mary Bader, DC

### ***A Typical Day in the Life of a Mother Seton Academy Student***

- 7:45 AM .. The day begins with a healthy breakfast served to all students.
- 8:00 AM .. Students attend a combination of academic classes, religion, art, music, band and physical education.
- 11:50 .... Students are provided with lunch prepared by the Child Nutrition Program; recess follows.
- 12:30 .... Classes resume.
- 3:15 ..... Classes are dismissed. All students pitch in and help clean the school.
- 3:45 ..... Homework time is supervised by staff and volunteers
- 4:45 ..... Selected students participate in the tutoring program and are served dinner.
- 6:45 ..... Students are driven home by staff.

### ***Mission Statement***

*Empowered by Gospel values and rooted in the tradition of Catholic education in the spirit of St. Elizabeth Ann Seton, Mother Seton Academy, a middle school in East Baltimore, seeks to educate inner-city young men and women in a multicultural environment that promotes the dignity of and the respect for each person and all of creation. Students are challenged to reach their spiritual, emotional, academic, social and physical potential so that they may become responsible, caring and active leaders in their families, communities, and society.*

## Student Academic Accomplishments

- In the fall of 2001, the Class of 2004 entered the Academy as sixth graders with an average grade equivalent of 5.5 on national standardized tests (or a skill level equivalent to a student entering fifth grade). Two years later at the beginning of eighth grade, these same students achieved an average grade equivalent of 8.5. This represents a gain of three academic years in two calendar years.
- In 2003-2004, 19 of 21 graduates applied to and were accepted into selective private and Catholic high schools, most with extensive scholarship assistance.
- In the 2004 high school class, 78% of Mother Seton Academy graduates entered college in the fall of 2004.

## Highlights of the 2003 - 2004 School Year

Our school is predicated on the notion that the cycles of poverty, violence and crime can be broken and that education is the means by which this occurs. At Mother Seton Academy students receive an holistic education that enables them to better their lives. MSA nurtures the students' intellectual, spiritual, emotional, social, and physical growth by challenging them to recognize and reach their potential.

A review of the highlights of the 2003-2004 school year illustrates the many opportunities afforded our students. In addition to a full academic day, students received the benefits of homework, tutoring, and mentoring programs which not only served to reinforce their academic skills, but also provided positive role models in the volunteers assisting the youngsters. Each week more than 50 volunteers gave of their time and talents in service to the school.

The school counselor continued to offer service to students and their families. In addition to leading workshops on conflict resolution, bullying, child safety, and other topics, our counselor guided students in need of medical, mental health, and academic resources.

Impressive acceptances into high schools and colleges indicate that the Graduate Support Program continued to assist our students beyond their days at MSA. The expanding program also drew students from other schools to its SAT prep classes.

The Catholic identity of the school continued to be fostered in daily religion classes, weekly school-wide prayer services, and retreats. Moreover, Christian-based values remained firmly integrated in all areas of the curriculum.

Three summer programs brought numbers of students to the Academy for remedial assistance in math and language arts, recreational opportunities, and college preparation. Our three week program for prospective students enrolled a record 90 children, all hoping to be selected for MSA's newest fall class.

In an attempt to expand the students' horizons beyond the traditional classroom, the children participated in numerous activities that complemented the core curriculum. During the year, the students were enriched by the following special activities:

### Field Trips

Baltimore Museum of Industry • Career Day at the Cathedral School of Mary Our Queen • Civil War Museum • Genesee Valley Outdoor Learning Center • Gettysburg National Military Park • Gunpowder State Park • Gym Night at St. Ursula School • Loyola College Fitness Center • Loyola College Tour • Martin Luther King, Jr. Program at Loyola Blakefield • National Aquarium in Baltimore • National Shrine of the Immaculate Conception • National Zoo • Outward Bound • Philadelphia • *Romeo and Juliet* Play • Shrine of Elizabeth Ann Seton • Sinai Hospital • Sr. Marianne's Family Farm • Washington, D.C. • WBAL TV Station

*Mother Seton Academy is exempt from Federal Income Tax under Section 501 ( c ) ( 3 ) of the Internal Revenue Code. All contributions to the Academy are tax-deductible to the extent permitted by law. Mother Seton Academy is audited by an independent auditor. Every effort has been made to accurately list all MSA contributors and volunteers. We apologize for any errors. Please contact the Development Office at 410-563-2833.*

*“What a Mighty God We Serve. I know He is alive and well when my life is touched by people like you. God Bless You! Cheree has begun her studies at Essex Community College and she is very happy to be in attendance. Many of her former classmates are there too. Your concern and love made this possible. Thank you again and again.”*

~ A LETTER OF APPRECIATION FROM AN ALUMNI'S GRANDMOTHER
