A Letter from the Board Chair

As Chair of the Board of Directors, I want to thank all of our Sponsoring Religious Communities and donors who support us in our mission to educate tomorrow's leaders. I am grateful to the Board of Members, the Board of Directors, Sr. Charmaine Krohe, SSND, our school President, and the staff and faculty for their untiring dedication and their deep commitment to providing a quality education for the children of Mother Seton Academy. Under the leadership of Mrs. Laura Minakowski, our Principal, we are continuously enhancing our academic program through professional teacher development which leads to many different instructional strategies used in the classrooms.

In the midst of a challenging economy, much of our donor support has remained constant and we are extremely grateful. The recent closing of several Catholic schools here in Baltimore shows how important it is to work together and provide

students and families the opportunity to benefit from a tuition-free quality Catholic education. As we begin our new school year, I ask for your continued financial support and, more importantly, I ask that you consider being an "ambassador" for Mother Seton Academy. I encourage you to share our story and mission with your family, friends, co-workers and with all those you meet.

It has been a pleasure to serve the family of Mother Seton Academy as Chair of the Board of Directors. Thank you for all that you have done for us in the past and I welcome you to continue to work with us as we build hope and change futures.

Sincerely yours,

Bro. Frank J. O'Donnell, S.M.

A Letter from the President

I am proud to present the annual report for the 2009-10 school year. Thanks to the generosity of our sponsoring Religious Communities, Board of Members, Board of Directors, our principal, Laura Minakowski, our staff and faculty, and you, our generous benefactors, so much has happened during the first year in our new home.

This time last year, contractors were trying to meet construction deadlines, school furniture was being delivered, Smart Boards were being installed, computers were being tested, and floors were being polished. Teachers were busily unpacking and putting finishing touches on their classrooms. The building “punch list” was endless, and the contractors seemed as if they had taken up residence. Miraculously, we all met our deadlines, and on September 2, 2009 the students arrived, excited to see what their new home looked like and eager to know what their locker numbers would be!

The first month we were all busy learning how to navigate through the school and preparing to welcome Bishop Denis Madden and over 400 guests for the dedication and blessing of our new home

on October 24, 2009, foundation day for the School Sisters of Notre Dame. The year brought many special visitors: guests such as Archbishop Edwin O'Brien, Bishops William Newman and Mitchell Rozanski, our Sponsoring Communities and benefactors, including Baltimore Ravens' owners, Steve and Renee Bisciotti.

The year was exciting and inspiring, but financially challenging. While successfully completing the capital campaign, the reality of increased expenses that a new and more spacious building incurs became one of our biggest challenges. In spite of the economic crisis, thanks to the generosity of so many of our faithful donors, we were able not only to meet these expenses but also to continue providing scholarships and quality programs for our students. As we move forward in this new school year, I ask for your continued support as together we work to transform the lives of our students through education.

With gratitude,

A handwritten signature in blue ink that reads "Sister Charmaine Krohe, SSND". The signature is fluid and cursive, with the initials "SSND" clearly visible at the end.

Emotional

A Letter from the Principal

Newness, growth, and hope described the 2009-10 school year at Mother Seton Academy. Throughout our first year in our new home, we offered a solid education in and out of the classroom. Additionally, the entire Mother Seton Academy family—students, families, staff, and volunteers—collaborated to establish meaningful new programs for our school while maintaining MSA traditions.

In the classroom, teachers motivated learning by tapping into their creativity. Eighth grade religion classes featured a guest speaker who worked with students to set and achieve goals. In social studies, students learned about current events through hip-hop music. A team of teachers developed cross-curricular lessons focused on the Winter Olympics.

Under the leadership of Sr. Lisa Perkowski, IHM, the arts blossomed. A cadre of volunteer music teachers taught piano, voice, guitar, clarinet, and harp lessons to our students. In music classes, students learned to read music and play the recorder and piano. The Sunrise Art Club, which met before school, worked for months to produce a magnificent mosaic cross filled with colorful ceramic tiles. Their

masterpiece is now installed in our Prayer Room.

The After-school Club Program expanded as well. Ten students, with varying swimming ability, participated in the Swim Club. The group travelled weekly to Loyola University Maryland for swim instruction. For some, this was their first experience in the pool; for others with basic swim skills, the lessons allowed them to become stronger swimmers.

Our faithful parents and guardians worked with Br. Jesse O'Neill, SM, to develop a new tradition of Family Nights at MSA. Parent volunteers set up the school and prepared meals, while the large screen in our multipurpose room transformed the school into a family-friendly movie theater. Attendance at every Family Night topped one hundred guests.

Thank you to everyone whose talents and generosity made our first year on Greenmount Avenue the success it was; we are grateful for your support.

With sincere thanks,

Laura Minakowski
