

2018 - 2019  
Annual Report

# Our Gym is Built!

# Board Greetings

On behalf of the entire Board of Directors, we are so grateful for all of the generous donors and friends who supported our mission during the most recent school year. In this year's letter, our President, Sr. Peggy Juskelis, SSND, describes the events during the year that have served to enrich and inspire our students,

their families, and the local community including the construction of a new expansion to the school. We are grateful for your belief in our mission and look forward to many years ahead serving the children of Baltimore City.

I encourage you to call and set a date to tour the school if you have not visited previously, and to revisit to see the new gymnasium if you've already visited the school.

Meet the respectful and appreciative children your generosity supports, and the caring and dedicated faculty and staff. Experience Mother Seton Academy as the special place it is, making a difference in the lives of

many children and their families. None of this would be possible without your support.

As we look ahead to the future, the Board of Directors and the school are excited about the continued improvements in the curriculum and the students' scholastic performance in addition to the transformation of the school campus with the opening of the new Boone Street addition.

I am very proud to be a part of this school community that works so diligently to fulfill its mission of challenging its students to realize their God-given talents and make a difference in the community around them. Please keep our school community in your prayers as we continue this vital work.

Sincerely,

A handwritten signature in black ink that reads "Patrick F. Mutch". The signature is written in a cursive, slightly stylized font.

Patrick Mutch  
Board Chair

# President's Message

Dear Friends of Mother Seton Academy,

Throughout the 2018-2019 school year, Mother Seton Academy experienced growth in many dimensions. We began and continue a capital campaign in which we raised over \$3.2 million in cash or pledges that made it possible to begin construction of an additional building that will strengthen our athletic, musical and environmental education for our students. The space will also expand our engagement with the broader community. I want to give special recognition to The Whiting-Turner Contracting Co. and to GWWO, Inc. who, as our contractors and architects, have been true partners with us in this construction project.

Our students continue to show continuous improvement in their studies. Test scores are up and our eighth graders continue to be accepted into high schools focused on preparing the students for future study and growth. The students are engaged and diligent in their work. MSA is a supportive community in which the students can realize their God-given potential.

We want to acknowledge the many volunteers who serve our school community in many ways: tutors, mentors, board and committee members, clerical helpers and others who share so readily of their time and talent. The boys and

girls know that the presence of these caring adults makes Mother Seton Academy a very special place to be. Here they feel safe, cared for and secure.

You, too, make a difference in the lives of our boys and girls. Your continuing support is building hope and changing futures as Mother Seton Academy. Your kindness provides our caring, capable staff with the resources they need to fulfill our educational mission in a setting that is safe and welcoming for our students and their families.

Thank you for your support in this past year and I look forward to our continuing partnership as we provide for the needs of our students and prepare them for assuming their rightful roles in society. With your help, we are truly building futures and changing lives.

May God bless you and those you love.

Sincerely,

Sr. Peggy Juskelis, SSND  
President

2200 Boone Street - August 2011

2200 Boone Street - November 2019

6<sup>th</sup>-grade boys watching construction of the new expansion.

# Building a Brighter Future

A year ago it would have been impossible to believe that such a dramatic transformation like the construction of Mother Seton Academy's new expansion would have been possible.

There is a warm, welcoming building that boasts a community room and gymnasium in the place where vacant, decrepit, fire damaged rowhomes abounded. A learning garden and safe outdoor area to play have replaced once trash-filled backyards. A lovely lot with plants and trees now fills a once empty derelict street corner. This Greenmount neighborhood has become revitalized bringing with it long-forgotten hope and excitement to an area that was once in shambles.

The tremendous progress Mother Seton Academy has made is only possible because of the outpouring of love and support from our many generous donors like you. The impact of your kindness can be seen in the eyes of each young girl and boy who has eagerly asked if the new gymnasium is really for them and when do they get to play in the new space. The excitement of having a space dedicated for their use has been truly touching to see. These young children who haven't had much access to safe, inviting environments have shown pure awe at

what you, our donors, have helped to provide them. You have been a significant part of showing them that there are people who care for them and their wellbeing.

Through this Capital Campaign, we have raised enough funds to build this new expansion. We still need your help. This last phase of this campaign is focused on closing the \$150,000 gap we have to reach our \$3,500,000 goal. The remaining funds will go towards student scholarships and the future sustainability of the school.

If you haven't already done so, or can make an additional contribution to the Capital Campaign, you would have our deepest gratitude. Your help has made Mother Seton Academy a cornerstone to this community for over twenty-five years, and with your continued support, we plan to be here for another twenty-five.

**YOU can help us close the remaining \$150,000 gap and reach our goal by making a donation today at [donatems.org](https://donatems.org) and designating the Capital Campaign!**

Bria Jackson, 2019 Wine Harvest alumni speaker, talking about her time at Mother Seton Academy

Sr. Peggy Juskelis (left), MSA President, and Bria Jackson (right), MSA Alumni and Wine Harvest Speaker

# *A Life-Changing Experience*

At this year's Wine Harvest we had the honor of welcoming back Mother Seton Academy class of 2010 graduate, Bria Jackson, as our guest speaker. Bria has had an incredible journey since her time here at the school and attributes where she is today directly to the three years she spent with us.

Bria's time at Mother Seton Academy was instrumental in her decision to choose a high school. Because of the impactful experience she had at a small Catholic middle-school, she decided to continue her education at the Institute of Notre Dame. Bria said that this way she also "never really felt like I left Mother Seton Academy because through the Institute of Notre Dame I volunteered once a week with Project Kind. During my time volunteering, I assisted Mother Seton Academy students with homework and to play games."

After graduating high school with honors, Bria's choice of higher education was again influenced by her time at Mother Seton Academy. Loving her experience in a smaller Catholic environment, she chose to enroll at Hood College. "I will forever be grateful to have been the recipient of the Mother Seton Academy Achievers Award Scholarship throughout my college matriculation," Bria said. She truly deserved this scholarship! While pursuing her college degree, Bria worked multiple jobs, volunteered at several nonprofits,

and participated in many groups and clubs at Hood College.

"Attending Mother Seton Academy has ultimately been the driving factor for me to be where I am today! Not only has it drawn me to the education system, but it has led me to the field of social work," Bria stated. When asked, she said that "it's because I am eager to give back to the community that has been so generous in helping me. I, and others like me, are proof that your generosity in supporting Mother Seton Academy makes a difference in the lives of students who, otherwise, would not have access to the quality of education provided here."

Bria is a shining example of the life-changing impact your support has on the lives of each and every one of our young girls and boys. You make our work possible. And in the words of Bria herself, "Thank you so much for your ongoing support of the Mother Seton Academy vision!"
